SOCIAL STUDIES 10

BRITISH COLUMBIA CURRICULUM

Social Studies Big Ideas:

- The development of political institutions is influenced by economic, social, ideological, and geographic factors.
- Worldviews lead to different perspectives and ideas about developments in Canadian Society.

Social Studies Content: Environmental, political, and economic policies

LESSON	ACTIVITY
The Energy Mix	Watch the video as a class and discuss key trends. Consider the role that the government plays in determining the energy mix.
Introduction to Energy Choices	Use the hands-on activity to explore factors that influence our energy decisions.
The Demand Curve	Assign the video and have students consider the role that baseline and peak energy demand play in making energy decisions.
Introduction to Environmental Impacts	Assign the data set and accompanying reflection questions.
Developing Media Literacy	Introduce media literacy fundamentals through researching energy topics.
